### Mixer: Pizza Pass (Jessica)

Split club into two sides. Each side gets a small pizza (maybe cheap one from grocery store... totinos?) Each person gets one bite then passes it to the next person. First team to finish the pizza wins.

Supplies: 2 pizzas (cheap ones are fine)

### Participation Game: Smell, Touch, Taste Pizza Toppings (Nick)

Pick 3 volunteers, one is a "plant" and knows what is going on. You take them outside and bring in one at a time. You blindfold the person then have them first smell, then touch then "taste" the item and give them a chance to guess what it is after each smell/touch/taste. 3 items. Pepperoni, Mushrooms, then a live mouse.

Supplies: Blindfold, Pepperoni, Mushrooms, mouse

### 1 Song (Nick, Jessica)?

### Leader Skit: Psychic Bambi (Briana, Sean)

Have a guy come in and say he is going to demonstrate the incredible potential of psychic powers. Then bring in a girl (ditzy) ---Bambi to demonstrate. Start how many fingers am I holding up? Then put a sheet over her head. Under it she has a mannequin head. He has several objects (a plastic bat, tennis racquet, etc.) Hold up an object. For each object she has three guesses: First--is it a salt shaker, or is it a pillow, etc. Second--is it a pizza (every time) Third--can I touch it? The first person hits her on the head with it and she then names the object exactly in great detail. (With one object he hits her in the stomach and she says On the head). He gets more frustrated with each object. The final object is a drill (or you can use scissors), he drills into it

Supplies: Psychic outfit, ditzy outfit. Sheet, mannequin head, bouncy ball, badminton racquet, bat, drill
