Setup

1. Have everyone get a partner and assemble into groups of 8 people (4 pairs).
2. If possible have all the groups sit down and show them an "example" group (usually Summer Staff).
3. Have the guys turn to their right and the ladies to their left to meet their "partner" and say "howdy partner".
4. Have the guys turn to their left and ladies to their right to meet their "corner maid" and say "howdy corner maid".
5. I teach the 3 basic moves 1) right arm swing 2) do-si-do 3) allemande left with your corner maid.
6. Then I walk them through each part one step at a time and build on it.

Make a tunnel to go on through, 2x2 as you always do (that's the tunnel of love) (2x2 like the animals do)
