

# Grosser than Gross Club

## Mixer: Squid Over Under Pass

Divide club into four teams and have them line up. Give the person in the front a squid and have the teams pass the squid over and under; the first team to go back and then up to the front wins.

## Participation 1: Gross Food Games

Get kids into circles on the lawn, with about 10 kids and 1 leader per circle. Have the kids pass around an object (like hot potato) and when the music stops, the kid holding the object has to go up and do the gross food game. If the kid doesn't want to go up, they can choose someone else in their circle who does-leaders make sure to monitor this and make sure kids really do want to go up, or we will get phone calls! We will do 5 rounds where the kids eat the gross food and guess what it is: 1. spinach/sauerkraut 2. clam juice/baby food/horseradish 3. menudo/1000 island dressing 4. tapioca/minced garlic 5. pickled pigs feet

### **Need:**

Several Tarps	Latex gloves	40+ bowls	40+spoons
spinach	sauerkraut	clam juice	assorted baby food
horseradish	large jar of menudo	1000 island dressing	(2) 6 packs of tapioca pudding
jar of minced garlic	black trash bags	paper towels	scope
40+cups	igloo of water	air freshner	several packs of gum
large jar of pickled pigs feet			

## Participation 2: Gross Bobbing

Have kids bob for hard boiled eggs in a vat of chili or baked beans.

## Running Skit Participation: Blender Treats

Blend up a happy meal and have kids drink the "shake". Make sure you have plenty of water to put in the blender.

## Entertainment: Viking Skit

Use the song La Fortuna by Wagner. The music starts and the "Viking" comes out dressed in a Viking helmet and toga, carrying a pillow in each hand. He never says anything, he just swings the pillows around and hits people as he makes his way through the crowd. As the music builds, he points to a kid and then points to the front. They proceed to the front of the club, right at the climax of the song, they start a pillow fight. The kid always wins and the Viking runs off the stage.

## Announcements: Hot Girl Announcements

You can do this several ways, you can have a couple of hot girl or guy leaders read the announcements or you could go out to the mall or to the school campus and have different hot girls/guys read the announcements. You can play with this one and do almost anything...hot grandma, hot baby, hot bus driver...the sky's the limit!

## New Kids:
